

COGNITIV ACTIVITY TABLE

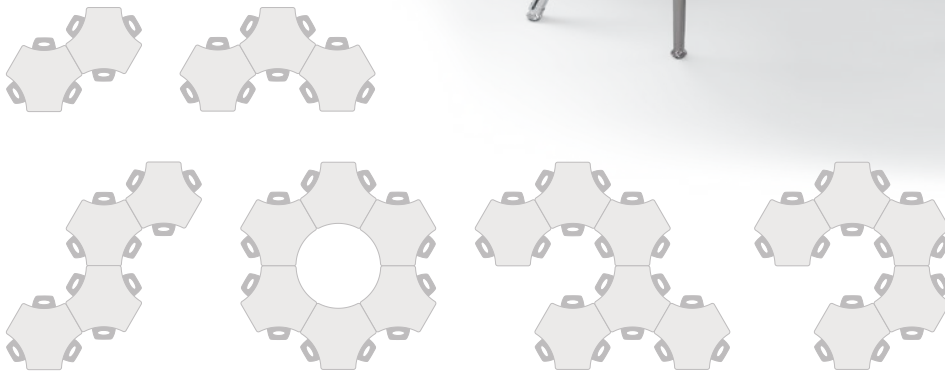

Super flexible and fun shape fits in any space.

Bring your collaboration teams together for creative thinking.

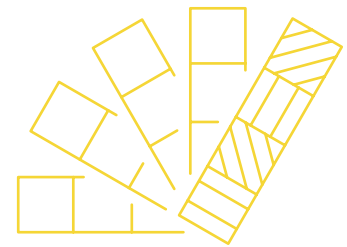

MOORECO™

COGNITIV ACTIVITY TABLE

- The CogNitiv Activity Table system is designed for ergonomic seating arrangements for small or large configurations. Shape allows easy expansion and flexible spaces.
- The CogNitiv Activity Table makes the most of your classroom or training room for any age learner. Specifically designed to support a variety of learning modes to promote interaction.
- Available with or without a central grommet for adding power options to the group.
- Scratch resistant 1-1/4" thick HPL top with T-mold edgebanding. Available in custom colors.
- Powder-coated steel legs are height adjustable from 21" to 30", and designed for quick assembly. Legs include floor safe glides. Youth height legs available for 15" to 24" height adjustment.
- SCS Indoor Advantage Gold Certified.
- **PLEASE NOTE:** Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.
