Navigating A New Approach to Learning

Compass by MooreCo is a new and comprehensive line of storage cabinets and makerspace furniture designed to get the most out of your classroom space and your time with students. We brought our Hierarchy Mighty 8 design principles to full expression when creating Compass, with focus on adjustability, mobility, color, simplicity, visibility, engagement, comfort, and collaboration.

The Compass line is as functional as it is versatile, balancing the need to have supplies and tools handy with ample workspaces designed for thought, play, and organization. Each piece was created with learners of all ages and rooms of all sizes in mind.

The result is a collection that facilitates hands-on learning and improved mobility for educators, leading to a dynamic and engaging classroom environment. Whether it's the design of a makerspace, transforming a lab, or renovating a computer room, adding Compass to your educational spaces will give you and your students more freedom to explore.

Help your students discover a new world in each classroom with the Compass collection.

Explore new heights with tables that meet the needs of each student and project. Compass Makerspace Tables are available in three heights. Durable casters make it easy to move these sturdy tables and lock them into place. Coordinating cabinets fit alongside tables and store materials for learning with tubs, cubbies, or shelves.

Maxi H1 Cabinet

Makerspace Table
29.6"H x 60"W x 36"D

Makerspace Table
42.6"H x 72"W x 36"D

Maxi H2 Cabinet

Makerspace Table
36.6"H x 36"W x 36"D

Inspire creativity with classroom environments that are playful and practical. Peg side panels can be added to tables, and are available in all Hierarchy colors. Easy to clean laminate tops are durable, scratch-resistant, and available in a variety of finishes. Add translucent Makerspace Robotics Wall Kits to protect your moving parts.

Maxi H1 Cabinet
+ TV Mount
Maxi H3 Cabinet

Tables and work areas can also be created by using the Compass cabinets as pedestals. Porcelain steel lap boards and accessories make group activities fun and creative and are easy to store. Add other Hierarchy products, such as seating and mobile boards, to create a coordinated space.

It's easy to create spaces that are versatile and easy to change with Compass. All pieces come standard with heavy duty casters that make moving them around a snap for teachers or older students. Flip cabinets around to access optional porcelain steel whiteboard back panels. Choose whiteboard tops on your tables for even more creative space.

42"H x 72"W x 36"D

Supplies and tools become easy to access with trays and cubbies that conveniently hold everything you need to complete projects, lessons, and experiments. Any learning environment becomes a workroom with organizational tools and shelving that make storage a snap. Choose the sizes and configurations you need to store a variety of materials.

Mini H1 Cabinet

Compass Cabinets

We created a series of cabinets with teachers and students in mind, allowing for space, movement, ample storage, and adaptability. Available in nine base sizes, the Compass cabinets are light and mobile, making them ideal for active teaching. Add handles to quickly and smoothly move materials throughout the entire classroom.

Easily create custom filing stations, work tables, or teacher desk spaces with these durable cabinets, reinforced with braces for structural stability. Fill your cabinets with shelves, cubbies, or plastic totes to suit your lesson plans and curriculum. Side panels and optional handles match our Hierarchy family of colors, encouraging creativity, play, and school spirit.

Optional add-ons include peg side panels, Ogee double-sided whiteboard tops, TV mounts, laminate or butcher block tabletops, wardrobe hooks, porcelain steel whiteboard backs, and more. Crafted with durable and easy-to-clean steel, these cabinets will last years, simplifying daily activity for teachers while keeping students engaged.

Black

Cool Gray

Platinum
(edgeband only)

Compass H1 Cabinets

The lowest height Compass Cabinets, the H1 are the lightest and most compact cabinets, ideal for smaller or more crowded spaces.

Add locking doors to keep your materials secure, or choose open storage for easy access. Tote configurations are ideal for storing smaller and easy to lose items. Translucent totes make it easier to identify contents. Shelf option provides storage for larger items.

Optional handles provide easy mobility, or add a laminate top. Midi and Maxi sizes can be equipped with a modern curved Ogee double sided porcelain whiteboard top, or a TV mount.

Side panels are available in all Hierarchy colors, or you can choose peg sides (cool gray only) for additional tool and material storage.

Add a porcelain steel whiteboard surface to the back of any cabinet for quick doodling and brainstorming space.

Compass Maxi H1 cabinet with doors featured with flat panel TV mount.

Compass H2 Cabinets

If you need more storage for your space, step up to the H2 cabinet.

Available with optional locking doors, with tote or shelf storage on the interior.

Mini and Midi H2 cabinets are also available with a slanted laminate lectern top, turning it into a convenient teaching or presentation station.

Optional handles provide easy mobility, or add a laminate top. Maxi H2 cabinets can be upgraded with a solid maple butcher block top.

Midi and Maxi sizes can be equipped with the Ogee double sided porcelain whiteboard top, or a TV mount that supports up to 160 lbs.

Side panels are available in all Hierarchy colors, or you can choose peg sides (cool gray only) for additional tool and material storage.

Add a porcelain steel whiteboard surface to the back of any cabinet for quick doodling and brainstorming space.

Compass Midi H2 cabinet featured with shelves and Ogee whiteboard top.

D. Compass Mini H2

Base Dimensions:	36.1"H x 14.8"W x 19.2"D
+ Handle:	38.6"H x 14.8"W x 19.2"D
+ Table Top:	42"H x 24"W x 20"D
+ Lectern Top:	43.7"H x 24"W x 22"D

Shown with optional door in closed position. Single door available in right (standard) or left (custom) orientation.

Laminate Options:

Compass H3 Cabinets

Our tallest comprehensive cabinet line, the H3 gives you all the storage options your classroom could need.

Available with optional locking doors, with tote or shelf storage on the interior.

The Maxi H3 can also be outfitted with cubby storage for personalized student storage space.

Fit the interior of the Maxi H3 with wardrobe hooks for storage of coats, back packs, purses, and more.

Optional handles provide easy mobility, or add a laminate top.

Side panels are available in all Hierarchy colors, or you can choose peg sides (cool gray only) for additional tool and material storage.

Add a porcelain steel whiteboard surface to the back of any cabinet for quick doodling and brainstorming space.

Compass Maxi H3 cabinet featured with mix of shelves and totes.

G. Compass Mini H3

Base Dimensions:	51.1"H x 14.8"W x 19.2"D
+ Handle:	53.6"H x 14.8"W x 19.2"D
+ Table Top:	54.3"H x 24"W x 20"D

Shown with optional door in closed position. Single door available in right (standard) or left (custom) orientation.

Compass Makerspace Tables

Designed to accommodate sketching, experimenting, building, and other facets of the creative process, Compass Makerspace Tables make it easy to create an atmosphere where discovery can take place through hands-on learning.

Tables come standard with durable and scratch-resistant laminate tops, or you can upgrade to butcher block. Butcher block tops are made of solid maple hardwood, designed to withstand years of use in a variety of settings. Optional side panels and shelves complete the tables, providing storage for learning tools. Side panels include peg holes to keep tools handy and organized, leaving a clear tabletop for better use.

The side panels and laminate top edgeband colors come in all Hierarchy colors, allowing easy color-coding of zones or other spaces.

Compass Makerspace Tables are safe and suitable for students of all ages, with rounded-edge tops that reduce bumps and bruises. Tables are available in multiple heights and widths, allowing students to sit or stand while working.

Compass Makerspace Table
