

## Dura Rite

Part Numbers: 212XX

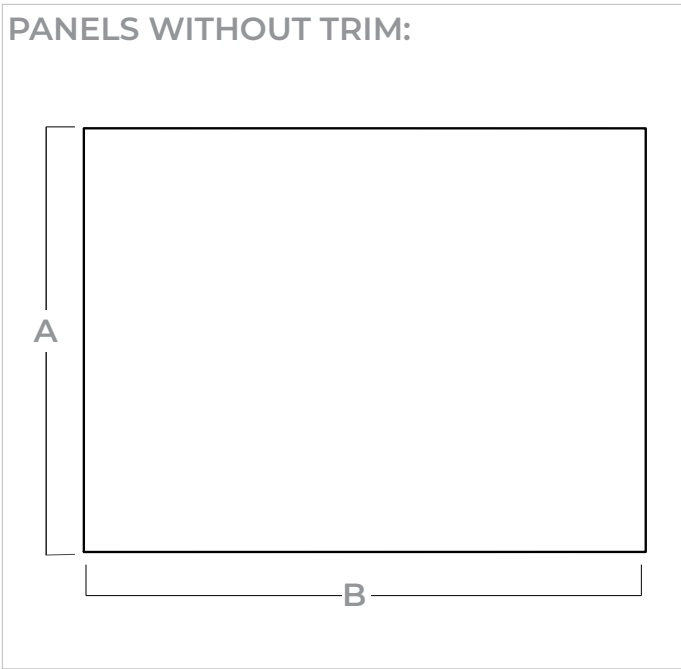

**PANELS:**

Panels are 7/32" MDF with a 1/32" markerboard laminate front surface and a poly film back surface. A resin glue bonds the markerboard laminate to the MDF and poly film backer. The overall thickness of the Dura Rite board is 1/4". All standard and custom sized boards without trim are cut to exact dimensions to fit the desired wall space. Custom sizes of marker boards are available.

**COMPLIANCE:**

SCS Indoor Advantage Gold certified.

## PANELS WITHOUT TRIM:
