COLORED CORK TACKBOARD - ALUMINUM TRIM

- Colored Cork Tackboards feature colorful and durable Forbo® linoleum, produced from natural and renewable raw materials.
- A combination of oxidized linseed oil, rosin, and finely ground cork gives this board its flexibility and resilience. This mix of materials results in a product with exceptional durability and a sustainable footprint.
- The natural self-sanitizing quality of linoleum inhibits contaminants for a low maintenance board. The surface does not attract dust and has bacteriostatic properties. This makes it a practical solution in classrooms and a hygienic choice in healthcare environments.
- Surface is self-healing and colored throughout to ensure colorfastness and to eliminate fading. The board material retains its grip and doesn't crumble like traditional soft boards as the tack holes close after pins are removed.
- Featured with standard 3/8" clear anodized aluminum trim with hairline mitered corners. Anodized black aluminum trim available at an upcharge.
- Ten year limited warranty. SCS Indoor Advantage Gold Certified.

COLORED CORK TECHNICAL INFORMATION

- Colored Cork surface is made with Forbo® linoleum permanently adhered to a moisture-resistant substrate.
- Colored Cork meets ASTM E-84 (Fuel Contribution) - Class B and NFPA 253 (Critical Radiant Flux) - Class II ratings.
- Not susceptible to build-up of electrostatic charges, is self-healing, and reduces light reflections.
- Resistant to bacteria and to diluted acids, solvents, and other materials.

PART NO.	DIMENSIONS	SHIP WT.
PRODUCT		
322AA*	1.5'H x 2'W	6 lbs
322AB*	2'H x 3'W	14 lbs
322AC**	3'H x 4'W	22 lbs
322AD	4'H x 4'W	44 lbs
322AF	4'H x 5'W	55 lbs
322AG	4'H x 6'W	66 lbs
322AH	4'H x 8'W	88 lbs

Shipping weights are listed on a per item basis and may vary based on quantities ordered. All boards listed as 3'H x 4'W actually measure 33.8"H x 48"W due to shipping restrictions.

*Ships UPS.

**Ships UPS with large package surcharge or additional handling fee.
