

HIERARCHY CREATOR TABLE

+ Porcelain Steel Top

- MooreCo now offers more tables with a porcelain steel top, providing a durable surface with superior writability and erasability in any space.
- Porcelain steel whiteboard provides space for doodling, jotting down notes and ideas, and brainstorming. Surface accepts magnets for even more versatility.
- Porcelain reduces ambient reflection and glare over standard HPL markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.
- Tests show our 24-gauge porcelain is more than twice as hard, and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant than laminate.
- Erasability is more than twice as good on a porcelain surface versus laminate dry erase surface when both surfaces are new, and holds up to use, showing better erasability over time.
- Porcelain resists delamination, keeping dry erasability intact for the life of the desk.
- Comes with molded polypropylene edge banding in black only. Edge is slightly raised for a fully encapsulated top, ensuring steel will not rust.
- Powder-coated steel legs are height adjustable and are available in black or platinum. Legs include floor safe glides, or choose optional casters for easy pod configuration.
- Standard legs adjust from 22" to 32"H. Ask about youth height legs for younger users (12" to 18"H) or standing height legs that adjust from 27" to 42"H for standing work or use with a stool.
- All desks meet or exceed ANSI/BIFMA testing requirements.
- SCS Indoor Advantage Gold Certified.

PART NO.	ITEM	DIMENSIONS	SHIP WT.
PRODUCT			
70526	Wavy Rectangle (Black)	22" - 32"H × 57.9"W × 30.8"D	84 lbs
70527	Wavy Rectangle (Platinum)	22" - 32"H × 57.9"W × 30.8"D	84 lbs
