More than just a training table.

Versatility that extends beyond the classroom.

MOORECO™

Frequency Table

More than just a training table, Frequency brings versatility that extends beyond the classroom.

Frequency is a solid solution for paired seating in training rooms environments. But with a variety of base styles, wide range of surface options, its versatility extends beyond the classroom.

Frequency is available in multiple base styles, all which share the same tapered leg design.

Available with round, square, or rectangular top shapes in a variety of standard or custom finish options, Frequency is certain to look great in any environment from classrooms or cafes to office spaces and training labs.

Offering a clean and functional leg design for group learning and discussion spaces, the C-Leg base provides ease of access and movement.

Sometimes you need a bit more space. Frequency's flip top T-Leg base with quick release handle lets you easily nest unneeded tables.

Ideal for group seating comfort, the X-Base option provides optimum leg room for easy space sharing.

Platinum base standard. Black and charcoal may have extended lead times. Available with glides or casters.

SCS Indoor Advantage Gold Certified.
