## HIERARCHY SNAP DESK

- Arrange and rearrange your classroom in a snap. Shapes and sizes work together to create easy collaboration spaces.
- The Hierarchy Snap Desk offers durability and custom options made to fit any classroom setting.
- Quick assembly and sturdy construction ensure that these desks will last through one educational career to the next.
- Available in two sizes for space saving ergonomics: octagonal trapezoid (for groups of four or eight) and hexagonal trapezoid (for groups of three or six).
- Top measures 1-1/4" thick. Choose from a variety of standard HPL laminate colors and T-mold edge band options. Or customize your table to match any space or design scheme.
- Powder-coated steel legs are designed for quick assembly and one-screw adjustment, available with a platinum or black finish (please note: black youth height and standing height legs are considered custom and incur longer lead times and MOQs).
- Choose from three leg height adjustment ranges to fit the users and activities for your environment. Standard legs (1-1/2" diameter) adjust from 18" to 29"H. Youth height legs (1-1/2" diameter) adjust from 12" to 18"H. And standing height legs (1-3/4" diameter) adjust from 27" to 42"H.
- Legs include floor safe glides, or choose optional dual-wheel locking casters for easy pod configuration.
- SCS Indoor Advantage Gold Certified.
