

AKT SOFT SEATING

MOORECO™

CONSTRUCTION & FEATURES:

- Designed to be inviting, comfortable, and easy to clean, Akt soft seating is the perfect addition to your common and public spaces. Cozy pieces are perfect for individual work and relaxation, private collaboration, or team activities.
- Ideally suited for secondary learners, higher education students, and employees in the workforce, Akt lets you outfit a multitude of spaces to establish privacy, study spaces, and relaxation.
- Akt soft seating is designed to facilitate easy and thorough cleaning by minimizing the spaces where debris can collect.
- The taller legs allow most vacuums to fit beneath, and each piece features gaps with spacers between the back, arms, and seat to allow crumbs and dirt to fall to the ground where it can be easily vacuumed. The spacers are available in coordinating colors.
- Multiple seating shapes and sizes to create a cohesive and flexible environment. Choose from black or platinum sled base, or platinum 4-leg base to coordinate with other members of the Akt family.
- Top stitched sewing details in upholstery. Textiles available through graded-in fabric program, or COM by approval. Includes powder-coated steel legs.
- Available with optional integrated electrical USB and 110v outlets.
- Manufactured in the USA from commercial grade 3/4" plywood and hardwoods. Seats are 18"H on all units.
- Twelve year limited warranty on seating. Prop 65 and CAL 117-2013 compliant. 400 lb. capacity. SCS Indoor Advantage Gold Certified.
