## AKT TABLE

- The Akt collection combines the principles of human development to enable you to "Akt" with purpose and intention.
- Akt tables are a reconfigurable solution designed for dynamic and collaborative teams. They help people work and learn together and adapt to their space, making them ideally suited for secondary learners, higher education students, and employees in the workforce.
- With sophistication and sleek style, Akt tables can be used for individual work, collaborative spaces, or team activities.
- Available with laminate or butcher block tops, Akt table surface provides plenty of space for writing or planning, all on a unitized frame for improved structural strength and stability.
- Laminate tops measure 1-1/8" thick; butcher block tops measure 1-1/2" thick. Standard and custom laminates and edge bands available.
- Fixed height table tops are available in 29"H, 36"H, or 42"H models. Two taller sizes include integrated footrest.
- Angled legs are available in rectangular or round profiles.
- SCS Indoor Advantage Gold Certified.
