

PHOEBY

Outdoor Soft Seating

CONSTRUCTION & FEATURES:

This truly unique line of modular soft seating is inspired by the remarkable adaptability of amphibians. Just as amphibians effortlessly move between aquatic and terrestrial environments, Phoebly effortlessly blurs the boundaries between indoor comfort and outdoor freedom, revolutionizing the way users connect with nature. Ergonomically curved silhouettes promote inclusiveness, while straight sections convey a sense of structure and order. The balanced aesthetic helps users relax and focus, enhancing the overall ambiance of any outdoor learning or working space.

- Entirely weather-resistant, Phoebly's frame is constructed from outdoor-rated $\frac{3}{4}$ " plywood, contains full moisture barrier protection, Matrex Sytex™ III synthetic webbing suspension, and aluminum legs.
- All hardware, fasteners, staples, ganging, and tie down options are made of corrosion-resistant stainless steel. Dual-density foam is comfortable, supportive, and antimicrobial.
- Phoebly Outdoor is available upholstered with durable outdoor-rated Spradling Silvertex and Sunfield fabrics. The continuous filament bonded polyester fabrics are water- and stain-repellant, are rated at 25,000+ double rubs for abrasion resistance, are mildew-resistant, and 1500 hour UV-resistant.
- Phoebly passes the UFAC-Fabric and Class-1 flammability requirements.
- SCS Indoor Advantage Gold Certified.

Designed to be suitable for use in exterior spaces and environments, our curated collection of outdoor-friendly fabrics will provide you with durable and colorful options that are sun, wind, and water resistant.
