## Indoor Soft Seating

### CONSTRUCTION & FEATURES:

Discover our new line of forward-thinking, fully modular soft seating inspired by the remarkable adaptability of amphibians to effortlessly morph depending on their needs and their environment. Phoeby Indoor blurs the boundaries between a multifunctional workspace and a calming relaxation space, prompting spontaneous gatherings, prolific brainstorming, and heightened creativity.

- Ergonomically curved silhouettes promote inclusiveness, while linear sections convey a sense of structure and order, making Phoeby Indoor ideal for versatile, collaborative settings. The balanced aesthetic promotes relaxation, concentration, and productivity and enhances the overall ambiance of any setting where ideas flourish and minds connect.
- Phoeby Indoor is available in our full suite of durable fabrics. Top stitched sewing details. Textiles available through graded-in fabric program, or COM by approval.
- Includes aluminum legs; optional mobility package includes casters on front legs and an integrated handle for easy reconfigurability.
- Available with optional integrated electrical assemblies to stay powered all day.
- Phoeby passes the UFAC-Fabric and Class-1 flammability requirements.
- SCS Indoor Advantage Gold Certified.
